USE OF WARRANTY SERVICES

If the buyer finds a defect in the MYDECK boards during the period, the buyer must notify MYDECK in writing within thirty [30] days of discovery of the alleged defect, but before the expiration of the warranty period: MYDECK GmbH, Falkensteiner Str. 6b, 61462 Königstein, Germany.

The buyer must attach the proof of purchase and a description of the defect to this notification. MYDECK may request further information. After reviewing all documents, MYDECK will decide whether the claim is justified. If MYDECK determines that the buyer's claim is warranted, it shall be at MYDECK's discretion to either replace the defective MYDECK boards or refund the buyer the purchase price of the defective MYDECK boards [excluding the initial installation costs]. If the buyer has a valid warranty claim under this warranty during the first eleven [11] to twenty-five [25] years following the original purchase, the following

proportional values will apply. If MYDECK provides replacement material, MYDECK may decide to refund the below percentage of the purchase price of the boards that meets the conditions for the claim; if MYDECK reimburses the purchase price, MYDECK may decide to refund the below percentage of the purchase price of the boards that meet the conditions for a claim. Over time, there may be changes to the product range. Possible exchange is only possible with a comparable product from the current collection, if there are no remaining stocks.
